

[www.authorserv.com](http://www.authorserv.com)

www.authorserv.com offers a complete range of prepress services directly to authors and editors of technical publications

If you do not have the time to take care of

- instructions to authors
- copy editing
- formatting
- fixing up references

or

- English is not your first language
- the publisher's specifications for the graphics are not your thing

**We can help!**

Log on to [www.authorserv.com](http://www.authorserv.com) to see our complete range of services and to request a quote.

Let us get your text and graphics ready for publication
